## Full of Caring

Lynn Reeves, executive director of The Caring Place, gave a very informative talk to the club about her organization and Alzheimer's Disease. Lynn shared some interesting information about the disease and how it affects so many people in our community, and what her organization does to improve lives. Thanks for a great visit.

## Club Announcements

- Don't forget that Monday, March 9th, is bring a potential member to Rotary Day. If you know someone who might be a good fit in our club, bring them to the meeting and the club will pick up the tab on lunch. It's a great way to introduce those folks to Rotary and help us reach our membership goals. See you there!
- Your Special Project Committee is on its way with the preparations for the Rotary Club Fun Day, scheduled for Saturday, May 2 at Arc Isle. We will be calling on every member of the club to help in some capacity, so be prepared to do your part, whether its donations, planning, prep work or assisting during the event. This is our new club major project and it's going to be a wonderful event for the at-risk youth in our community!
- Thanks to everyone who helped out at the concession stand at Summit Arena over the weekend. Remember, that money provides scholarships!
